MOHAVE COUNTY Hand Count / Early Ballot Audit Report

Synopsis:

Pursuant to A.R.S. §16-602 (B), Mohave County conducted the hand count/early ballot audit for the November 8, 2022 General Election. 2% of precincts were counted as required by statute, which amounted to 2 precincts out of 24 total precincts.

The hand count began on November 9, 2022 at 2 p.m. when the Mohave County Chairmen of the Republican and Democratic Parties met to select the races, precincts, and early ballot audit batches to be counted. All ballots were accounted for in the central counting location before the selection process started. The selection order was chosen by lot, and the Republican Party was chosen to go first.

With the order established, the specific precincts to be counted were selected with the County Party Chairmen alternating the selection. Once the precincts were chosen, the races to be counted were selected.

Four contested races were chosen according to the selection process outlined in the election's procedure manual. Specifically, the U.S. Senator, State Treasurer, Secretary of State, and the Proposition 308 were counted:

The master precinct and race selection worksheet is attached for review. The physical hand count started at 8 AM on November 11th and was concluded at 5 PM that day. The tabulation method used was the stacking method. The hand count was conducted by four boards made up of 3 members each, of which not more than 2 members were from the same political party. This hand count counted votes cast on central count digital ballot scanners located within the Mohave County Elections Department.

Early Ballot Audit:

The 1% of early ballots as required per Arizona State Law consisted of 2 batches, each containing 250 early ballots. There were 47,109 early ballots cast in the Mohave County 2022 General Election prior to Election Day.

Comments:

All hand counts came out perfect.
